Dear Member of the WFCA,

Another summer has come and is almost gone -- all too quickly! I hope this mailing finds you rejuvenated and ready to face another exciting forensics year. There are many important changes that you need to be aware of. Please take a few minutes to read through these materials in this mailing so as to avoid any misunderstandings later.

The Executive Committee of the WFCA invites you to attend your organization's fall business meeting. We will gather on Saturday, September 23 at Ripon College. The business meeting will begin at 12:30. Please check the web site www.wfcaforensics.org for the exact location.

There are several agenda items that will be of interest to everyone. We will approve the calendar for the upcoming season, approve the category topics for this year, as well as other items. Your input and participation is important to the vitality of the WFCA.

The business meeting will be followed at 3:30 with a Tournament Hosts' meeting. Those planning to host a tournament can gather to discuss issues important to the administration of a tournament.

Finally, if you are hosting a tournament this year, your dues must be paid or a PO provided by the fall meeting.

I hope to see you in Ripon.

Sincerely,

WFCA President
